Parent Educator Program

Central Consolidated
Schools District #22

CCSD Parents As Teachers

“All Children will learn, grow and develop to realize their full potential.”

Mission

“To provide appropriate information, support, and encouragement parents need to help their child develop optimally during the crucial first five years of life.”

Who Is welcome to enroll?

All families with children ages prenatal up to 5 years old who live within the CCSD school district.

*Family Connections

The meetings are twice a month for all families with children ages 0 months up to 5 years old. The family connection consists of a playtime, parent activity, lunch, story time, and ending with a parent-child activity.

*Personal Visits

Monthly visits for children ages prenatal up to 50 months. During this time a Parent Educator will guide parents to understand their child’s developments and help prepare them for Preschool/ Kindergarten.

*Screenings

Monthly screenings for children ages 1 month up to 5 years old using the Ages and Stages screening tool.

*Resource Network

Families needing information on any resources in the community will be referred or introduced.

For more information contact a Parent Educators in your home area.
