The teacher education degree programs at Dine College are being expanded to meet the teacher shortage in New Mexico and produce more teachers in the state of New Mexico.

The new Bachelor's of Arts in Education degree (Emphasis: Multicultural perspective) will be offered in Northwest region of New Mexico for teachers and students who are seeking teacher licensure, certifications, and/or endorsement.

The teacher education program includes a multicultural/bilingual/and multilingual emphasis, which is strong needed in the state of New Mexico. Dine College teacher education programs are for all

school systems with accredited status in the education system.

Program Details:

Teacher candidates will be provided a curricula that includes culturally and linguistically relevant tools and are designed to ensure teacher candidates are support by mentor teachers each semester.

The Teacher Education program at Shiprock Branch will be a cohort model. The multicultural curricula is designed specifically for emerging educators, para professionals and classroom teachers.

Job Prospects:

Multi-cultural teacher in K-8 school.
